Hi Jay

I am ok with John and John talking, however, I would like Ed and James of HDR on that call as well.

Thanks,

Diane

John Wolfe would like to check on a few points with John Kern regarding the modeling. The topic is SWAC predictions based on slides 61 and 76 of the USEPA R2's Presentation to CSTAG, Feb 28., 2018.

Question: Is it possible for John Wolfe to confer directly with John Kern for this purpose? After they confer, we (all) can arrange a conference call with John Wolfe, shortly thereafter, on either Thurs. Fri, or early next week. John Wolfe has indicated that he is available, near term.
